How was I to know
That from our very first hello
I'd feel so dreamy (so dreamy)
You came rushing in
With all the promises of spring
When I was lonely (so lonely)
Everything she knew
Almost unreal because of you
I felt so dreamy (so dreamy)
Love had come to me
So very unexpectedly
I was so lonely (so lonely)

Dreaming of the time
I'll hear you say that you'll be mine
Until the end of time
All I ever knew could never be compared to you
And it's so far behind
Dreaming for a while
Each time you make me realize
That all I see is real
I could never find the words to say
The way I feel

Hello morning sun
Another day has just begun
And it's so dreamy (so dreamy)
Where can I begin to say the love I feel within
I feel so dreamy (so dreamy)

Dreaming of the time
I'll hear you say that you'll be mine
Until the end of time
All I ever knew could never be compared to you
And it's so far behind
Dreaming for a while
Each time you make me realize
That all I see is real
I could never find the words to say
The way I feel

How was I to know

That from our very first hello
I'd feel so dreamy (so dreamy)
You came rushing in
With all the promises of spring
When I was lonely (so lonely)
Everything she knew
Almost unreal because of you
I felt so dreamy (so dreamy)
Love had come to me
So very unexpectedly
I was so lonely (so lonely)

MY FRIEND THE WIND

My friend the wind will come from the hills
When dawn will rise he'll wake me again
My friend the wind will tell me a secret
He shares with me, he shares with me -a
