This is what I live for  
This is what I live for  
Believe me who the hell are you screaming for me  
The... the move you will never make it  
Get to know how to trick my sleeve  
Stopping and I am touring next countries  
Chicks screaming my name they loved me  
Music is in my blood trust me all a race veins and...  
... be is a be until I... my lyrics on it  
And then will stay here the guys are getting pissed  
cause  
He saliva that I spit you had me I am gifted and the  
crimes...  
Screaming loud murder me even though the majority  
haven't heard of me  
Till I am in every... no...  
This is what I live for  
This is what I live for  
This is what I live for  
This is what I live for  
I was born to perform  
This is just my norm  
I am reaching for the fame  
This is my platform  
Cause I live a lie  
Cause I live a lie  
Cause I live a lie  
This is what I live for  
You heard me  
See the music is the air that I breath  
The words that I spit the food that I eat  
Yeah music is the stuff that I drink the thoughts that I  
think

The... cause I am the captain salute me I am hell feet  
cause my beat stay...  
Yes man I said even if the beats... heard about them...  
no one says it how I say it  
No one hears it how I hear it no one spit it how I spit it... I  
step on the stage  
Music is the only thing in my brain no I step on the... this  
is what I live for

This is what I live for this is what I live for this is what I  
live for  
I was born to perform  
This is just my norm

Cause I live a lie  
Cause I live a lie  
This is what I live for
