Looking down on me, With the bad luck.
Falling down off the bridge, Bad Luck.
When I just eat noodles, They are worms.
Yeah,

Bad Luck, Just comin in me.
Bad Luck, With the blindness.
Bad Luck, Makes me falling Down.

Bad Luck always....always....
Ahhhhhh bad luck, Falls down to the ground.
Bad luck, Death comes back.
Bad Luck the war starts kickin' now.

Kickin' now!!!!!!!!!!!!!!

(Bad Luck) We cannot stop it.
(Bad Luck) starts fuckin' reality.
Bad Luck even kickin' the bad life.
