Dodging bullets.  
All match up.  
It is all a fake.  
With 1 touch boooooom.

All that matters.  
With reality.  
Comes to life.  
With the ....Bang.....

Bang Bang,Run away it is my turn.  
Bang Bang,Knows that Im outta the way.  
Bang Bang,Shut the fuck up.  
Bang Bang,Facing reality.

Seeing the chorus,Nothing starts to bleed.  
All I am,was just a stupid king.  
Knowing I am here,Makes you start to bleed.  
For no reason,Livin In one touch.

Bang Bang,Run away it is my turn.  
Bang Bang,Knows that Im outta the way.  
Bang Bang,Shut the fuck up.  
Bang Bang,Facing reality.

Say it again,Yeah.  
Yeah,

Bang Bang,Run away it is my turn.  
Bang Bang,Knows that Im outta the way.  
Bang Bang,Shut the fuck up.  
Bang Bang,Facing reality.

Oh,Yeah.
