I'm writing this song to tell you that I'm sorry  
Cause I know you never thought that I'd be away so  
long  
I know it's unfair to ask you to wait for you

It's hard to keep my balance  
When you look the other way  
So I'm letting go with every breath I'm taking

So many reasons  
I need something more to believe in  
The time has come to turn and walk away  
Through all these changes  
Mistakes  
There was time, now it's too late  
There's nothing more that I could say to you

I'm writing this song to tell you that it's over  
Your jealousy took it way too far this time  
Another day comes  
I'm better off without you  
So now we'll take a deep breath and get on with our  
lives

It's hard to keep my balance  
When you look the other way  
So I'm letting go with every breath I'm taking

So many reasons  
I need something more to believe in  
The time has come to turn and walk away  
Through all these changes  
Mistakes  
There was time, now it's too late  
There's nothing more that I could say to you

So what good is today  
When there's not going to be a tomorrow?  
It's too much for me to take  
I know you don't want to wait forever  
Just remember

So many reasons  
I need something more to believe in  
The time has come to turn and walk away  
Through all these changes  
Mistakes  
There was time, now it's too late  
There's nothing more that I could say to you  
That I could say to you x4
