Hiding in back
And never make a sound
If you don't speak your thoughts they can't be turned
around
Cause you lead a targeted youth
Can't find the courage to leave your shell yet.

Finding short term courage in a flask
Another wasted day you're never getting back
Cause you lead a targeted youth
(would only talk to certain few)
Can't find the courage to leave your shell yet
Torn apart and $\hat{A}f\hat{A}\hat{c}\hat{a}, \neg\hat{A}, \hat{A}!$..

Camouflage in the background and holding things
deep
Never showing your true self to the kids you meet
Finding shade in imagination
One more day forgotten to the world

Hiding in back and never make a sound

around

Can't find the courage to leave your shell yet
