i picked up the phone and said hello  
when i picked up the phone i didn't know  
this girl would be making my world go round  
we talked for an hour or two and she said  
"hey kid i would love to see you"  
and i said that would be so cool

she's so far away  
she's so far away from me  
i wanna see this girl  
fall in love with me  
and write a song about her  
on our new LP  
i wanna hold her tight  
and keep her warm at night  
and tell her  
that she's the one for me  
she's the one for me

now i want her to understand  
that i just want to hold her hand  
but we're a million miles apart  
i wrote her a letter yesterday  
to say how perfect we could be  
'cause she already stole my heart

she's so far away  
she's so far away from me  
i wanna see this girl  
fall in love with me  
and write a song about her  
on our new LP  
i wanna hold her tight  
and keep her warm at night  
and tell her  
that she's the one for me  
she's the one for me
