Walk home  
drowning these memories in the rain  
Biting my lip  
to transfer this pain

You're gone  
and I'm still going through withdrawl  
Next time around  
I'll build a stronger wall

You broke my guard with guiltless eyes  
Divide me like a virus from inside  
And came back just to salt the wounds  
Now thanks to you...

I start runnin now  
(I start runnin, I'm runnin away from you)  
I start runnin away  
When I get too close I'm scared to stay  
I start runnin now  
(I start runnin, I'm runnin away from you)  
I start runnin away  
Now others pay for your mistakes

You needed  
more attention than I gave  
Instead of talking  
you just played games

And smiled  
as my whole world became unstitched  
I wish I'd known  
you would be such a heartless bitch

You broke my guard with guiltless eyes  
Divide me like a virus from inside  
And came back just to salt the wounds  
Now thanks to you...

I start runnin now  
(I start runnin, I'm runnin away from you)  
I start runnin away

When I get too close I'm scared to stay  
I start runnin now  
(I start runnin, I'm runnin away from you)  
I start runnin away  
Now others pay for your mistakes

I start runnin now  
I start runnin away  
When I get too close I'm scared to stay  
I start runnin now  
I start runnin away  
Now others pay for your mistakes

I start runnin now  
(I start runnin, I'm runnin away from you)  
I start runnin away  
When I get too close I'm scared to stay  
I start runnin now  
(I start runnin, I'm runnin away from you)  
I start runnin away  
Now others pay for your mistakes
