[Originally by The Beatles]

Well she was just 17,  
You know what I mean,  
And the way she looked was way beyond compare.  
So how could I dance with another (ooh)  
When I saw her standing there.

Well she looked at me, and I, I could see  
That before too long I'd fall in love with her.  
So how could I dance with another (ooh)  
When I saw her standing there.

Well, my heart went boom,  
When I crossed that room,  
And I held her hand in mine.

Whoah, we danced through the night,  
And we held each other tight,  
And before too long I fell in love with her.  
So how could I dance with another (ooh)  
When I saw her standing there.

Well, my heart went boom,  
When I crossed that room,  
And I held her hand in mine

Whoah, we danced through the night,  
And we held each other tight,  
And before too long I fell in love with her.  
So I'll never dance with another (whooh)  
When I saw her standing there  
Yeah, Since I saw her standing there [2x]
