You waste your time always looking at me.  
But don't you know, your never gonna get me.  
I'm atuning you to see the other side of me,  
Yeah, yeah, yeah, yeah, yeah.  
Now you got me, you caught me by surprise.  
but I'll never question what I feel in side.  
Well I know it.

I didn't mean, I didn't mean to love you.  
didn't mean to love you. (x4)

You waste your time always looking at me.  
But don't you know, your never gonna get me.  
I'm atuning you to see the other side of me,  
Yeah, yeah, yeah, yeah, yeah.  
now I'm sorry that I didn't see before.  
all I wanted was to be your friend and nothing more  
so fuck you

I didn't mean, I didn't mean to love you.  
didn't mean to love you. (x4)

You waste your time always looking at me.  
But don't you know, your never gunna get me.  
I'm atuning you to see the other side of me,  
Yeah, yeah, yeah, yeah, yeah.  
Now you got me, you caught me by surprise.  
but I'll never question what I feel in side.  
You fuckin bitch

I didn't mean, I didn't mean to love you.  
didn't mean to love you. (x4)
