Somewhere down in Fullerton
there's a place we used to go
to get away from it all
Somewhere down in Fullerton
there's a place we used to go
to get away from it all

But I'm still trying
just to figure out why
this feels so wrong
when it felt so right
Felt so right four years ago

So please don't go away
Won't this feeling
stay with me forever,
forever, I said
"please don't go away
I just want you to
stay with me forever"

Somewhere down in Fullerton
there's a place that meant
so much to everybody like me
Somewhere down in Fullerton
there's a place that meant
the world to everybody like me

But I'm still trying
just to figure out why
this feels so wrong
when it felt so right
Felt so right four years ago

So please don't go away
Won't this feeling
stay with me forever,
forever, I said
"please don't go away
I just want you to
stay with me forever"

But I'm still trying
just to figure out why
this feels so wrong
when it felt so right
Felt so right four years ago

So please don't go away
Won't this feeling
stay with me forever
forever, I said
"please don't go away
I just want you to
stay with me forever"

Forever, I said
"please don't go away
I just want you to
stay with me forever"
Forever, I said
"please don't go away
cause all I want is
you to stay with me"
