Go! go-go-go! [2x]  
He survived being buried alive  
Now an undead corpse  
His grave disturbed he'll rise!

Flesheater! revenge of the living dead! -  
Flesheater! this infection he will spread! -

Go! go0go-go! [2x]  
From just one bite this plague shall begin  
A fiendish destructive path his onslaught of sin!

Flesheater! revenge of the living dead! -  
Flesheater! this infection he will spread! -

Such a terrifying sight  
A ghoulish gory fright  
It all began with a bite  
On a dark Halloween night

Flesheater! -  
Go! go-go-go! [2x]  
Flesheater! revenge of the living dead! -  
Flesheater! this infection he will spread! -  
Go! go-go-go! [2x]

... this evil which will take  
Flesh & blood from thee  
And turn all ye unto evil...
