I ripped your insides out  
Ripped your insides out  
I cut your guts out  
Thru your cunt with a butter knife  
I ripped you inside out  
Ripped you inside out  
I left you bleeding on the bed'til you fucking died

I ripped you inside out  
I ripped you inside out

I ripped you inside out  
Ripped you inside out  
I peeled your face off with a hook  
To reveal your skull  
I ripped you inside out  
Ripped you inside out  
I took out your liver with a sliver  
Just to see if I could

I ripped you inside out  
I ripped you inside out
