(Deniece Pearson)

She's waiting
For something to go wrong
She's been there
Always the same old song
Still he stands there
Always be by her side
Nothing can ever shake him
Stubborn as can be

[CHORUS:]

Here I am
I'm the one
Always gonna be this strong
When you're wrong
When you're right
I'm always gonna have the fight in me
When it all falls apart
Take a look and see
Even in your darkest moment

Darling, here I am
Mmmmmmmmm

It's clear now
But e's really gonna stay
Still there so much
That she's afraid to say
Nothing can ever shake him
Stubborn as can be

[CHORUS]

Darling, here I am

I don't want to leave another moment
So I'm ready to love
To take another chance

[CHORUS]

x2

Darling, here I am
Mmmmmmmmm
