Has anyone ever read you a fairy tale
And taken you to places magical
Where homes are made of gingerbread
and skies are always blue
Where pumpkins turn into to coaches
and wishes all come true

has anyone ever sung you a lullaby?
You can fly above the rain clouds
Close your eyes
Let the melody carry you
Leave all your fears behind
You can float across a rainbow sky to once upon a time

(Once upon a time)
I believed in miracles (once upon a time)
I believed that love would conquer all (once upon a time)
I believed that anything was possible
And I believes again the moment when
I saw you here tonight
Now once upon a time has never felt more right

(Once upon a time)
I believed in miracles
(Once upon a time)
I believed that love would conquer all
I believed that anything is possible
I believed it in the moment when
I saw you here tonight

Now Cinders just one word of warning
To ensure your happiness come morning
Leave before the midnight bell
For after that, I have to tell
Your coach will but a pumpkin be
And horses both will scamper free, as mice again
So do take care and leave before twelve
Or else, beware

Then we are ready

I'll cast my spell
Let's hope all turns out well
Lord of the magic hear my call
Let Cinderella go to the Ball

(Once upon a time)
I believed in miracles
(Once upon a time)
I believed that love would conquer all
(Once upon a time)
I believed that anything is possible, yeah, oh ooooh
(We believe in miracles) oh yeah
Once upon a time

(We believe that it won't go wrong) oh yeah
I believe that anything is possible
I believed it in the moment when
Cinders I saw you here tonight
So once upon a time
Has never felt more right
