Sensations  
Left to right  
Up and down in this  
In this rollercoaster with ya  
Speeding  
To higher heights  
Wanna try one more taste of your elixir

It all started with a  
Conversation  
Then you hit me with your  
Presentation  
Not sure about your  
Occupatuion  
Performance was on it, on it  
Yeah, you ade me want it, want it

[CHORUS:]  
Was like a rodeo  
Got me so excited, I can't fight it  
What you doing to me, me  
Like a rodeo  
Holding the rhythm all night  
I think you might be  
Too much for me, me

Uh Uh Uh uh uh uh rodeo  
Uh Uh Uh uh uh uh rodeo

Keep me, up all night  
Take your time  
Want to savor every minute  
Careful, steady now  
Hold it down  
You're falling faster deeper in it

So impressive was that  
Presentation  
All the others look like  
Imitations  
Wasn't sure aout your  
Occupation

Performance was on it, on it  
You made me want it, want it

[CHORUS]

Listen cowboy, go giddy up  
Giddy up  
Show me that lasso  
Coming out, coming out  
Ready for the ride now  
On one at a time  
Show me how to work it out  
Coming up boogie dance

[CHORUS]
