Ohh Ohh OOohhh  
Wonder woman

Know I don't asked for this  
And I never even questioned why  
I guess I don't know how to miss  
When it comes to meeting guys  
I can't be sitting by the phone  
Can't get me out of your head  
Got a power in me  
And everything that I do  
Has got you wandering outside

Under my wings  
Saving her kiss  
I got the power  
The hour  
For our energy  
I'm not your Cinderella ella ella  
Hey  
I'm your wonder woman

[CHORUS:]  
No No No No  
I'm a burning up  
Got the fire and I'm ready to go  
Super fine, super mind, super cul-de-sack  
I know I don't lie with a stutter  
Hey yeah  
I'm a turning up  
Got the firemen and I'm ready to blow  
Super fine, super mind, super cul-de-sack  
And yeah, you know I'm undercover

I am your wonder woman  
Ohhh Oohh Oohhh  
I am your wonder woman  
Wonder woman

I don't need a hero to save me  
'Cause I got here on my own  
I don't need anybody mimicking me

'Cause I'm too much woman to clone  
So if you're not intimidated  
To near my throne, come on make my day  
'Cause your better your lot  
Something I got  
That's gonna blow your mind away

Under my wings  
Ohhh yeah  
Saving her kiss  
I got the power  
The hour  
For our energy  
I'm not your Cinderella ella ella  
Hey  
I'm your wonder woman

[CHORUS]

Did you wonder, wonder why?  
I got a power you can't deny  
Gonna hold on tight, I'll show you the way  
And if you're ever in need  
Don't think I'm too far  
No no no no

[CHORUS x2]

I am your wonder woman  
I am your wonder woman  
Ohhh Oohh OOohhhh  
I am your wonder woman, ohhh  
I am your wonder woman  
Wonder woman
