The mirror, staring shade of grey
love is dead
fall time blowin', the last day
the summer is dead

OH NO, OH LORD, I WILL BLEED
OH NO, OH LORD, I WILL LEAVE

Like the last white horse of freedom
love is dead
now eaged, running days are gone,
the world is dead

OH NO, OH LORD, I WILL BLEED
OH NO, OH LORD, I WILL LEAVE

Saddled for the one last ride
my heart keeps yarning by your side
Saddled for the one last ride
My souls is now longing by your side

Lonely as my love to bleed
within the blood I will leave
Lonely as my love to bleed
within the blood I will leave
