I wanna shoot the president
Gonna kill my ex-girlfriend
Why should I put my trust on you?
I swear the god I'll end you too

What I always leave behind
I'm escaping from paradise
I do seem to lose my time
In the end I'm not that blind

I left nothing for me
Not even a memory
Why should I let the people see?
When all they do is make me bleed

NO FORGIVENESS
Never forget
THIS IS MY SIN
Never regret

CHASIN' SHADOWS UNDER A
FEVERISH MOON
SENDIN' ANGELS FROM UTOPIA

No forgiveness
I can't forget
This is my sin
I won't regret it
