"Kiss, Wound, Gone"

Visit "[Kiss, Wound, Gone](#)" on MotoLyrics.com

I remember the last kiss
Sworn to the bliss
Enchanting, divine sin

Sweet was the taste of her lips
Sweet was the kiss
The last

Lord I,
I would die for her
Lord I,
I would die for you

ONE KISS TO REMEMBER
ONE WOUND TO FORGET
GONE,
ALL I BEG

Oh, what I hunger for
Is her love
The heart is cold

Sweet was the taste of my blood
Bittersweet our love
Our love

Lord I,
I would die for her
Lord I,
I would die for you

ONE KISS TO REMEMBER
ONE WOUND TO FORGET
GONE,
ALL I BEG
