Today Iâ€™ve made a decision, Iâ€™ve set my terms and conditions

Iâ€™ll follow them until the day I die

Today Iâ€™ve realized something, I wonâ€™t reason so listen

Lifeâ€™s way too short to waste it with your lies

It's not some phase of mine, I wonâ€™t change my mind

What part of this canâ€™t you understand?

Why canâ€™t you understand?

I donâ€™t care what people say, I donâ€™t care what people think

I really could care less about your opinion

I donâ€™t care if you criticize me, I donâ€™t care if you understand

Me

I really donâ€™t mind if you never liked me, If you never liked me at

All

I donâ€™t care and I wonâ€™t change\*

Ever since I remember, thereâ€™s been some kind of pressure

From society pushing me around

Iâ€™m through with second-guessing. Iâ€™m sick of you repressing

Donâ€™t bother me, I wonâ€™t stay no more

It's not some phase of mine, I wonâ€™t change my mind

What part of this canâ€™t you understand?

Why canâ€™t you understand?

\*(Chorus Repeats)

So these are my terms and conditions:

One, say what I wanna say

Two, stand up for what I think

Three, just be myself (x2)

I donâ€™t care what people say, I never liked them anyway

I really could care less Â»bout their opinion...

\*(Chorus Repeats)

I donÂ't care, I donÂ't mind...
