#### Verse 1

Standing on the ground  
Looking up  
In the clouds  
See there is the fear  
Climbing the tower to be the king

#### Pre-Chorus

I'm choosing the darkness  
In hope to loose my fear  
I wanna enjoy this life  
Right now

#### Chorus

I'm fighting my fear  
I'm loosing controll but try to be  
Stronger than fear  
No one can stop could stop me here

#### Pre-Chorus

I'm choosing the darkness  
In hope to loose my fear  
I wanna enjoy this life  
Right now

#### Chorus

I'm fighting my fear  
I'm loosing controll but try to be  
Stronger than fear  
No one can stop could stop me here
