Bring that beat DJ bring me that beat come on
Bring that beat DJ bring me that beat come on

I've been awake two days in a row
Just broking the dancefloor, can't get enough

Yeah, We're gonna dance and sing how we know
We're doing our best, you can't let it go

Oh no, no. Oh no, no
We're doing our best, you can't let it go

Bring that beat DJ bring me that beat come on
Bring that beat DJ bring me that beat come on

You whisper in my ear
I know you got no fear
I can touch the sky

I am standing here tonight
Yeah, in this club people's so fly
But I can't keep my eyes off you
So dance with me, just feel the groove

Oh oh, oh. Oh oh, oh.
So dance with me, just feel the groove
Oh oh, oh. Oh oh, oh.
So dance with me, just feel the groove

Bring that beat DJ bring me that beat come on
Bring that beat DJ bring me that beat come on

You whisper in my ear
I know you got no fear
I can touch the sky

Bring that beat DJ bring me that beat come on
Bring that beat DJ bring me that beat come on

You whisper in my ear
I know you got no fear
I can touch the sky

Bring that beat.
