Gloria you're always on the run now
Runnin' after somebody you gotta get him somehow
I think you've gotta slowdown before
You start to blow it
I think you're headed for a break down
So careful not to show it
You really don't remember
Was it something that he said or the voices
In your head calling
Gloria

Gloria don't you think you're fallin' ?
If ev'rybody wants you why isn't anybody calling?
You don't have to answer leave them hanging on
The line calling Gloria

Gloria I think they've got your number
I think they've got the alias
That you've been living under
But you really don't remember
Was it something that they said or the voices
In your head calling Gloria

Gloria how it's gonna go down
Will you meet him on the main line or
Will you catch him on the rebound
Will you marry for the money take a lover
In the afternoon
Feel your innocence slipping away;
Don't believe it's coming back soon
And you really don't remember
Was it something that he said or the voices
In your head calling Gloria.

Gloria don't you think you're fallin' ?
If ev'rybody wants you why isn't anybody calling?
You don't have to answer leave them hanging on
The line calling Gloria

Gloria I think they've got your number
I think they've got the alias
That you've been living under

But you really don't remember
Was it something that they said or the voices
In your head calling Gloria

Gloria ... Gloria ...
