It's been seven hours and fifteen days  
Since you took your love away  
I go out every night and sleep all day  
Since you took your love away  
Since you been gone I can do whatever I want  
I can see who ever I choose  
I can eat my dinner in a fancy restaurant  
But nothing  
I said nothing can take away these blues  
'Cause nothing compares  
Nothing compares to you

It's been so lonely without you here  
Like a bird without a song  
Nothing can stop these lonely tears from falling  
Tell me baby where did I go wrong  
I could put my arms around every boy I see  
But they'd only remind me of you

I went to the doctor guess what he told me  
Guess what he told me  
He said girl you better try to have fun  
No matter what you do  
But he's a fool  
'Cause nothing compares  
Nothing compares to you

All the flowers that you planted, mama  
In the back yard  
All died when you went away  
I know that living with you baby was sometimes hard  
But I'm willing to give it another try  
'Cause nothing compares  
Nothing compares to you  
Nothing compares  
Nothing compares to you  
Nothing compares  
Nothing compares to you
