Another mile, another memory
Of a love I'm trying to forget
There's no cure, for my misery,
Or I haven't found it yet

Chorus:

Can't stop a train, can't stop a heart;
I'm feeling pain when it's falling apart
Can't keep the one you love from changing;
When it's rolling, can't stop a train

Our love is a raging fire that consumes my heart and
soul
It ran hot right down to the wire when it burns out of
control
Where is our love, was it just a sweet dream?
So good while it lasted, now it's gone, moving on,
Can't stop a train

Repeat Chorus

When it's gone, moving on, can't stop a train, can't stop
a train
