I'm your man, yes I am,  
Oh, I can get the job well done  
Just throw me a little opportunity,  
And I'll prove it to you, I'm the one

I'm your man, yes I am, so baby give me a chance  
You may not know it, but I know for sure, that I wanna  
be your man

Chorus:

Well you took me by surprise,  
Like lightning from above  
When I look into your eyes,  
I see the girl I love

I'm your man, yes I am, and baby it's out of my hands  
It can't be nothing but a full time spot, 'cause, baby, I'm  
your man

I'm your man, yes I am, so, baby throw me a bone  
Oh, I can work twice as hard as any man could,  
And I hate to see you work alone

I'm your man, yes I am, so, baby, give me a chance  
You may not know it, but I know for sure, that I wanna  
be your man

Repeat Chorus

No, it can't be nothin' but a full time spot, 'cause, baby,  
I'm your man
