Mis'ry loves company right now it's just us three  
We'll have a real good cry just me myself and I  
I once had everything all the treasures that love can  
bring  
But don't worry cause we'll get by just me myself and I  
This loneliness is driving me crazy sometimes I think  
I'm going insane  
If I could just get over you I know that we'll be fine me  
myself and I  
[ guitar ]  
Could say I'm glad you're gone and hope you never  
come back home  
But I know I just can't lie to me myself and I  
Could stay behind closed doors never showing my face  
anymore  
But there is no place to hide from me myself and I  
This loneliness is driving me crazy...  
Oh yes me myself and I
