My heart's ready, yes, it's ready,
This time it's ready for love
I'm not gonna miss one single kiss,
My heart's ready for love

All the times before I built a wall around my heart,
Wouldn't let myself give in
Then you came into my life, like an angel from above
My heart's ready for love

Repeat Chorus

I look up to the sky, and I see a shooting star,
I made a wish right there
Your hand in mine forever, is what I'm dreaming of,
My heart's ready for love

Repeat Chorus
