Chorus:

Now she's someone else's problem, and I'm finally free
From all the daily heartache, and nighttime misery
Troubles they'e all over, she's just a memory,
Someone else's problem, that's all she is to me

I was going crazy out of my mind
Closer to the edge day by day
Step by step walkin' that line
When another fool stepped in to take my place

Repeat Chorus

I was always out of money and working overtime
While she ran up my bills I couldn't pay
All my friends say she's lookin' fine
Since she's been gone I feel the same way

Repeat Chorus
