One song about a girl  
I can't breathe when I'm around her  
I'll wait here everyday  
In case she'll scratch the surface  
She'll never notice

I'm not in love  
This is not my heart  
I'm not gonna waste these words  
About a girl  
Whoa!

Last night, I knew what to say  
But you weren't there to hear it  
These lines, so well rehearsed  
Tongue tied and over-loaded  
You'll never notice

I'm not in love  
This is not my heart  
I'm not gonna waste these words  
About a girl  
I'm not in love  
This is not your song  
I'm not gonna waste these words  
About a girl

To be loved, to be loved  
What more could you ask for?  
To be loved, to be loved  
Everyone wants  
To be loved, to be loved  
What more could you ask for?  
To be loved, to be loved  
Everyone...

I'm not in love  
This is not my heart  
I'm not gonna waste these words

I'm not in love  
This is not my heart

I'm not gonna waste these words  
About a girl

I'm not in love  
(To be loved, to be loved, what more could you ask  
for?)  
This is not your song  
(To be loved, to be loved, everyone wants)  
I'm not gonna waste these words  
(To be loved, to be loved, what more could you ask  
for?)  
About a girl
