Some people have it and other people don't
You been making some threats, got my name and
address
I'm breaking habits you don't want to know
Although I'm wearing my clothes, feeling cold and
exposed, yeah
Whoa whoa oh oh oh
Whoa whoa oh oh oh

Don't say you miss me, you probably don't
Well I been crossing some lines, that most folks won't,
yeah
Whoa whoa oh oh oh
Whoa whoa ohhhhh

Don't think you're more than this, or above all this
With your "blah blah blah" and all your friends
Don't say you think you know when you know you don't
Because tonight the bulls are in Brooklyn and you're
still at home
Whoa oh whoa oh oh oh
Whoa oh whoa ohhhhh

Some people have it and other people don't
Though the road we've paved still goes both ways
I'm breaking habits you don't want to know
Well I been crossing some lines that most folks won't

Don't think you're more than this, or above all this
With your "blah blah blah" and all your friends
Don't say you think you know when you know you don't
Because tonight the bulls are in Brooklyn and you're
still at home
Whoa oh whoa oh oh oh
Whoa oh whoa ohhhhh

Don't think you're more than this, or above all this
With your "blah blah blah" and all your friends
Don't say you think you know when you know you don't
Because tonight the bulls are in Brooklyn, said
Don't think you're more than this, or above all this
With your "blah blah blah" and all your friends

Don't say you think you know when you know you don't
Because tonight the bulls are in Brooklyn and you're
still at home
Whoa oh whoa oh oh oh
Whoa oh whoa ohhhhh
Whoa oh whoa oh oh oh
Whoa oh whoa ohhhhh
