If you knew what you do  
When no one's in the dark room  
But me and you  
A brilliant disguise  
It's the taste of the chase  
I do confess, it's the mess that feels so right

Come on a Monday, come on a Tuesday  
They'll never know  
Pop off a cork for Wednesday, play with me Thursday  
But you'll always be his girl

Come on a Monday, come on a Tuesday  
They'll never know  
Pop off a cork for Wednesday, stay with me Thursday  
But you'll always be his girl

His girl Friday, his girl Friday, his girl Friday  
His girl Friday, his girl Friday, his girl Friday

Just a kiss, he won't miss  
I know you're gonna miss this  
As long as you live when you were mine  
Bite your lip, pull me in, it's not the sin  
It's the mess that feels so right

Come on a Monday, come on a Tuesday  
They'll never know  
Pop off a cork for Wednesday, play with me Thursday  
But you'll always be his girl

Come on a Monday, come on a Tuesday  
They'll never know  
Pop off a cork for Wednesday, stay with me Thursday  
But you'll always be his girl

His girl Friday, his girl Friday, his girl Friday  
His girl Friday, his girl Friday, his girl Friday

If you knew what I knew  
You'd thank god it's Friday  
As I look on with you

Come on a Monday, come on a Tuesday  
They'll never know  
Pop off a cork for Wednesday, play with me Thursday  
But you'll always be his girl

Come on a Monday, come on a Tuesday  
They'll never know  
Pop off a cork for Wednesday, stay with me Thursday  
But you'll always be his girl

His girl Friday, his girl Friday, his girl Friday  
His girl Friday, his girl Friday, his girl Friday  
His girl Friday, his girl Friday, his girl Friday  
His girl Friday, his girl Friday, his girl Friday
