I took a step back as the room was filling up
I was packed against some people who were tossing up
a strong vibe
Now the door's locked
And the shower's on
And I realize I don't recognize anyone
But I don't mind
Well the neighbors have complained damn near every
night
The neighbors have complained damn near every night

You shoulda shown up
Shoulda shown up by now
You shoulda shown up by now
With a knock at the door
The knock at the door as it goes
Whoa...

Well now everybody's losing control!
Intoxicated circulation
Just try and sit back, get my palette wet
Getting mentally prepared for the consequences
And you know why
Because that knock at the door
Calls the crowd to quiet
The neighbors have complained damn near every night

You shoulda shown up
Shoulda shown up by now
You shoulda shown up by now
Give it a rest, give it a rest, give it a rest
You shoulda shown up
Shoulda shown up by now
You shoulda shown up by now
With a knock at the door
The knock at the door as it goes
Whoa... whoa... whoa... whoa...

There's no one left lying on the second story
floorboards
And I'm sure they heard next door
But the bottles are hollow now

And there's room at the bottom
And I would take it back
If I could, but I won't!

Sit back, get my palette wet
Getting mentally prepared for the consequences
And you know why
Because the neighbors have complained damn near
every night
The neighbors have complained damn near every night

You shoulda shown up
Shoulda shown up by now
You shoulda shown up by now
Give it a rest, give it a rest, give it a rest
You shoulda shown up
Shoulda shown up by now
You shoulda shown up by now
With a knock at the door
The knock at the door as it goes
Whoa... whoa... whoa... whoa...
