I am

(I am)

I am Superman

And I know what's happening

I am

(I am)

I am Superman

And I can do anything

You don't really love that guy

You're making with now, do ya?

I know you don't love that guy

'Cause I can see right through ya

I am

(I am)

I am Superman

And I know what's happening

I am

(I am)

I am Superman

And I can do anything

If you go a million miles away

I'll track you down girl  
Trust me when I say  
I know the pathway to your heart  
If you go a million miles away  
I'll track you down, girl  
Trust me when I say  
I know the pathway to your heart  
I am Superman  
And I know what's happening  
I am  
(I am)  
I am Superman  
And I can do anything  
I am  
(I am)  
I am Superman  
And I know what's happening  
I am  
(I am)  
I am Superman  
And I can do anything
