Look like a lush  
Talk like a tease  
The way you like it  
In front of your house, alone on the street  
You ask me to come inside  
Asleep through all our classes  
You hang me out to dry

If this is a test  
I'm losing my shit  
Would it kill you to care as much as I did?  
If this is a test  
I'm wasting my breath  
You're a stranger I know well  
And not at all

Heart on a hook thrown out to the sea  
Your basement busy  
Sitting in the dark, I turn the radio off for a  
Phone call you'll likely miss  
Wake me when it's over  
The last sound of goodbye

If this is a test  
I'm losing my shit  
Would it kill you to care as much as I did?  
If this is a test  
I'm wasting my breath  
You're a stranger I know well  
And not at all

"Let's imagine the end before we even begin,"  
you said.

"Let's imagine the end before we even begin,"  
you said, you said.

If this is a test  
I'm losing my shit  
Would it kill you to care as much as I did?  
If this is a test  
I'm wasting my breath

You're a stranger I know well

If this is a test  
I'm losing my shit  
Would it kill you to care as much as I did?  
If this is a test  
I'm wasting my breath  
You're a stranger I know well  
And not at all  
And not at all

You're a stranger I know well  
And not at all  
And not at all

You're a stranger I know well...
