VERSE 1:

I'm In love with the moon
It came down and It kissed me
Night falls It reminds me
Even In darkness light shines

CHORUS:

Remind me to breathe
Don't forget to breathe
Oh, Oh, Oh

VERSE 2:

I'm In love with the sun
It came down and It filled me
Dawn breaks It reminds me
That I'm alive

CHORUS:

Remind me to breathe
Don't forget to breathe

BRIDGE:

A minute weighs more than a thousand years with you
