VERSE 1:

I think It's safe to say
I don't need you any longer
I'll manage on my own

I've found another way
By the fence, by the border
I guess this Is farewell

CHORUS:

I can't go on without you
I can't go on
My knees are bloody from crawling
And I can't help but falling
Would you please carry me home?

VERSE 2:

Another day gone by
I'm feeling emptier than ever
It's eating at my heart

How could I say goodbye?
I miss you more than ever
OH MY GOD!

CHORUS:

I can't go on without you
I can't go on
My knees are bloody from crawling
And I can't help but falling
Would you please carry me home?

BRIDGE:

No Longer Separated
I'm redeemed
I'm Back Home
I'm Back Home
