One? one, JC got the disco lights, the strobe lights  
The party lights, this is how it goes

Somebody tell me where the party at  
Where the place is live and the hot girls is at  
Where this dog can find himself a king cat  
Where we can lose our minds like we don't know how  
to act

Let me know if you see her  
Let me know if we're close? let me know if we're near  
If not the, maybe we can go somewhere  
There's a party over here? there's a party over there

Yeah, that's what I thought and if you're at the party  
Then we'll pop the cork, you know I speak the truth  
You know the place is hot? the fire's on the roof  
Everybody jumpin'? everybody movin? 'cause the bass  
is thumpin?  
Now make some noise? you bring the girls, I'll bring  
the boys

Yahoo? yahoo, yahoo? yahoo, yahoo? yahoo, yahoo?  
yahoo  
Let me know where it's at, make some noise from the  
front to the back  
Let me know where it's at, make some noise from the  
front to the back  
Let me know where it's at, make some noise from the  
front to the back  
Let me know where it's at, make some noise

Oh? now we're here  
Dancers sweat from the front to the rear  
I feel the vibe? be one 'cause it's a peoples trial  
Hip? house and jazz, percussion and bass

It's a razz-a-ma-tazz  
Just feel the flava? jump right in 'cause it's a live saver  
No special behavior is required? do it until your tired  
Then get wired and jump right in my friend and do it  
again

Yahoo? yahoo, yahoo? yahoo, yahoo? yahoo, yahoo?  
yahoo  
Let me know where it's at, make some noise from the  
front to the back  
Let me know where it's at, make some noise from the  
front to the back  
Let me know where it's at, make some noise from the  
front to the back  
Let me know where it's at, make some noise and do it  
again

Let me know where it's at, make some noise from the  
front to the back  
Let me know where it's at, make some noise  
Let me know where it's at, make some noise from the  
front to the back  
Let me know where it's at, make some noise, jump?  
jump? yeah

There?s a party over here, there?s a party over there  
There?s a party over here, there?s a party over there  
Yahoo? yahoo, yahoo? yahoo, yahoo? yahoo, yahoo?  
yahoo  
There?s a party over here, there?s a party over there  
There?s a party over here, there?s a party over there
