One&#x2013;one, JC got the disco lights, the strobe lights  
The party lights, this is how it goes

Somebody tell me where the party at  
Where the place is live and the hot girls is at  
Where this dog can find himself a king cat  
Where we can lose our minds like we don&#x2019;t know  
how to act

Let me know if you see her  
Let me know if we&#x2019;re close&#x2013; let me know if  
we&#x2019;re near  
If not the, maybe we can go somewhere  
There&#x2019;s a party over here&#x2013; there&#x2019;s a party  
over there

Yeah, that&#x2019;s what I thought and if you&#x2019;re at the  
party  
Then we&#x2019;ll pop the cork, you know I speak the truth  
You know the place is hot&#x2013; the fire&#x2019;s on the roof  
Everybody jumpin'&#x2013; everybody movin'&#x2019; 'cause the  
bass is thumpin'&#x2019;  
Now make some noise&#x2013; you bring the girls, I&#x2019;ll  
bring the boys

Yahoo&#x2013; yahoo, yahoo&#x2013; yahoo, yahoo&#x2013; yahoo,  
yahoo&#x2013; yahoo  
Let me know where it's at, make some noise from the  
front to the back  
Let me know where it's at, make some noise from the  
front to the back  
Let me know where it's at, make some noise from the  
front to the back  
Let me know where it's at, make some noise

Oh&#x2013; now we&#x2019;re here  
Dancers sweat from the front to the rear  
I feel the vibe&#x2013; be one 'cause it&#x2019;s a peoples trial  
Hip&#x2013; house and jazz, percussion and bass

It&#x2019;s a razz-a-ma-tazz  
Just feel the flava&#x2013; jump right in 'cause it&#x2019;s a live

saver

No special behavior is requiredâ€” do it until your tired  
Then get wired and jump right in my friend and do it  
again

Yahooâ€” yahoo, yahooâ€” yahoo, yahooâ€” yahoo,  
yahooâ€” yahoo

Let me know where it's at, make some noise from the  
front to the back

Let me know where it's at, make some noise from the  
front to the back

Let me know where it's at, make some noise from the  
front to the back

Let me know where it's at, make some noise and do it  
again

Let me know where it's at, make some noise from the  
front to the back

Let me know where it's at, make some noise

Let me know where it's at, make some noise from the  
front to the back

Let me know where it's at, make some noise, jumpâ€”  
jumpâ€” yeah

Thereâ€™ s a party over here, thereâ€™ s a party over  
there

Thereâ€™ s a party over here, thereâ€™ s a party over  
there

Yahooâ€” yahoo, yahooâ€” yahoo, yahooâ€” yahoo,  
yahooâ€” yahoo

Thereâ€™ s a party over here, thereâ€™ s a party over  
there

Thereâ€™ s a party over here, thereâ€™ s a party over  
there
