Do I worry because you're stepping out?
Do I worry because you've got me in doubt?

Though your kisses aren't right
And we're always in a fight
Do I stay home every night
And read my magazine

Am I frantic because we've lost the spark
Is there panic when it starts turning dark
And when evening shadows creep
Do I lose any sleep over you?

Do I worry? You can bet your life
That I do, yes I do, yes I do

Do I worry because you're stepping out?
Do I worry because you've got me in doubt?

Though your kisses aren't right
And we're always in a fight
Do I stay home every night
And read my magazine

Am I frantic because we've lost the spark
Is there panic when it starts turning dark
And when evening shadows creep
Do I lose any sleep over you?

Do I worry? You can bet your life
That I do, yes I do, yes I do

Do I worry? Do I worry...
