See I know I'm possessed cos I come alive inna

Exorcize In'ma bed 2X.

[Rap]

Out with tha old.

In with tha new.

If you sucha meanie then f*ck you in two folds.

I paid ma dues until eighteen.

N ma punishments came in thick folds.

So leave it or die madaf*cker who knows.

Turn the f*ckn lights and I'll be lost in this zone.

Cos I'm pure black, right to tha bone.

Life's for tha fittest, I'm too prone.

Welcome Welcome! to tha killzone.

Call me young Bleek witha big T-zone.

Beg me a f*ck, call me on phone.

If you dang ready to make my clone.

Yeaah Yeah Yeah.

N I'm gettin made.

Watchn while your bloody sh*t fades.

Hell, got tired of this chase.

N tha massive spill of these hates.

Haters, Fakers, I'm soo paid.

Yeah I live ma'life like Dorian Gray.

People keep sayin you're insane.

Buh mehn, I'm nat human...

I fart propane, sh*t cocaine.

Buh inna end we gotta ge this life f*ckin tamed.

People killin for tha money and tha big fame.

KBN Go Go Go Go get'em.

DJ please turn on tha volume.

Now I'm makin money fast nat per annum.

Took me a vow of sanctum solemn.

Witha Lord on ma side, I'm a new born lumen.

Future so bright, got me some shades.

Yeah right, watchin your face.

Love me or nat, still betrayed me like Judas.
Blackheart finnest with tha tickets to tha Abyss.
When I die I rise my from my ashes like a phoenix...
Then I rise I'm erectable like Ghana-man's penis.
Lust for money begins right from tha foetus.
N you were never here to help me rep ma cities.
So why then you'wan have ma truckload of Cedis..
Ma blackcard n ma mercedez..
When I toldcha my life's on CD's..
You left me widda heart broken into pieces..
Now...yeaah lemme handle ma business 4X..

[Bridge]

Ohh na na naaar.
Ohh la la laaar.
Buh you know say 2X..
Gurl I'll die for you 2X..
Buh first I gotta take a bribe from you.

Urrhh..
I'm tha freshest starter.
Take you to tha next level, I'll be tha stunna.
Touch you inna wrong place, lost me a manner.
Cos I'll nat only be smugglin coca.
N I'm tha newboy right from Ghana.
I'm boxin like Tyson, that makes me tha fittest.
Contest or vex, buh I'm still tha finnest.
I got heels just like Achilles...
Anytime you put this beat on imma kill it.
My words by far are the smartest lyrics.
I pop champagne like popstar Shane.
Well you know I'm a rap machine.
Shame on haters, thought I lost my game.
N unbelievers, go look again.
Its Bleek on'tha beats n I'm headin'for tha fame.
Yeaah, hater say ma name...

Its strictly a love affair.
If you know right, say you concurr.
N I'll treat you like a million \$ pearl.
When we goto jail, we'll share tha same cell...
If life is hype imma need some weedie.
Shootup in'tha sky like'r RPG.
I live ma life like'r KGP.
N ladies know I'm good at DPe(Deep Penetration)...
I'm tha masterplanner when'comes to livin this life.
N if you wanna go bankrupt, getcha'self a wife.
Shoot an apple off ma'head, I'm a tiger to be tamed.
N*gga, hater, gimme hi-5...

Gurl I've come to tell you face to face.

So this thing we've ll never goto waste.
So hold ma waist, lets keep this pace.
Life is sh*tty buh we run this race.
Lets keepup, get to tha next phase.
Huuh, now our love is tha case.
N imma drive you to ma ego's place.
Exorcize me, lemme cum in your face.
[CHORUS]
