(The world has too many freaks)  
I can freak you in the morning, freak you in the evening  
Freak you late at night  
(The world has too many freaks)  
I can freak you in the morning, freak you in the evening  
Freak you late at night  
(The world has too many freaks)  
I can freak you in the morning, freak you in the evening  
Freak you late at night  
I can freak you on the counter, freak you on the table  
Freak you right now, 'cause I can't wait to freak you  
later

[Play]

I wanna, lick,lick,lick you naw never that  
To the bedroom give me head room  
straight to the point my time to clown,  
Let you know from the gate I don't go downtown  
To many freaks that'll please me  
I'm that playa you better believe  
I'm payin' on cheese, but I guarantee  
That I still got a freak everyday of the week  
I love feeling when you dealing with someone  
Pumping' them holes in your body all night long  
My keep gets bigger when you giving me dome  
And I get a little crazy when its time to bone  
Ma I like that you think that I was one of a kind  
And my ice made you think that love was blind  
Separate the greats, from the weak freaks  
I would never hate, I love all my freaks  
But I never bone, never let a hoe know that I  
Gotta a lot of dough, she ain't gotta know  
Take her to the room, I don't need your voice  
But I might need your mouth to provide the moist  
Didn't think you had it right till i met your needs  
And swallowed my seeds and now I see  
Why choose one freak when?

The world has too many freaks  
I can freak you in the morning, freak you in the evening  
Freak you late at night  
(The world has too many freaks)

I can freak you in the morning, freak you in the evening  
Freak you late at night  
(The world has too many freaks)  
I can freak you in the morning, freak you in the evening  
Freak you late at night  
(The world has too many freaks)  
Freak you on the counter, freak you on the table  
Freak you right now, 'cause I can't wait to freak you  
later

[Krayzie Bone]

I done been around the whole wide world  
I done been so many places, seen many different  
faces  
Met girls, girls, nasty girls  
Real bad girls, chasin' this platinum world  
And around, behind me and my shit  
They say they really wanna get me high  
They wanna spend some time  
With a thug and get freaky with it  
In a hot tub thuggin' gettin' weeded with it  
We get P.O.D a little  
Turn off the lights  
Come over here, with me  
Take off all your clothes, and freak me baby

The world has too many freaks  
I can freak you in the morning, freak you in the evening  
Freak you late at night  
(The world has too many freaks)  
I can freak you in the morning, freak you in the evening  
Freak you late at night  
(The world has too many freaks)  
I can freak you in the morning, freak you in the evening  
Freak you late at night  
(The world has too many freaks)  
Freak you on the counter, freak you on the table  
Freak you right now, 'cause I can't wait to freak you  
later
