[Verse 1: Skillz]

Yeah, yeah, yeah, true story

I see them haters scopin

But they just really hopin

They girl wasn't chosen

To get her back broken

When her man's not at home

She calls me on my phone

She loves to give me dome, lust up on and then I'm
gone

You see I keep her waiting

Its never love makin

I keep her legs shakin

And she ain't never fakin
Now thats a down hoe
Keeps it on the down low
She loves to go down low
Then brings it up slow
Nobody does it better when it comes to a freak
And thats the reason why I met her cause her favorite
song was "Freaks"
And if I see a fly chick
Pull up with a fly fit
Then pull out with the sidekick
I know she wants to ride wit, me!

[Chorus]

[Verse 2: Play]

Yeah
Uh, y'all know revenge is the sweetest thing next to
gettin pussy
But I'm a pimp not a killer but don't try and push me
She wanna take a ride, she wanna hop inside
The 745, she wanna live the life of a ghetto superstar
And roll through any hood
She ain't with the Bobby Brown, mommy wanna smoke
that good
She said "I know you who you are baby what you done"
But I ain't tricking, always pimpin, we could fuck for fun
So heres my number you can call me when your man's
gone
Your man's a lame with no change, mommy here I
come!
But I'm a boss player, your man's a handcuffer
Tell him let you go, I go away, I got ain't gon' touch ya
We flip some bricks, flip some hits, now we gettin
paper
Yellow purple diamonds on my neck, I'm a L.A. Laker
Front row like Shaq, pockets filled with stacks
Coke mixed with 'gnac, layed back Maybach

[Chorus] 2X
