Chika-ah
Come on

Well, here's a lil' story that we like to tell
About two bad brothas that you know so well
With a pimp gain shoe game know we up on that
Latin chicks, white chicks and you know we love them
black

Night man, nightmare I can hit it right
(I can hit it right)
Black rims 23's shorty we can take a ride
(Take a ride)
We get it crunk from wall to wall
(Wall to wall)
If your man is actin' up shorty gimme a call

Come with me
(You can come with me)
To my lavish suite
(Come lay with a G)
And lay close with me
(It's between you and me)
He ain't folkz with me
(He ain't folkz wit me)

Let's go
(Take a ride with me)
Let's go
(He ain't a baller like me)
Let him go
(Uh Skillz)
(Shotcalla like me, he ain't rollin' like a G, I'ma P.I.M.P
baby)

I'm not a playa I just crush a lot
(Crush a lot)
I keep them chicks impressed by the whips I got
You seem to bitch a lot 'cause your man ain't never
there
So if you're tryna get away, I can meet you there

And baby girl, if we kick it you gon' love that
(Love that)
If you a freak lemme know 'cause I can love that
(Love that)
You like the fact that I be rhymin' on tracks
And the ice on the wrist will keep 'em blinded till the
fact

'Cause I've always said what he can't see won't hurt
I'm on the side, I can see it so it's gon' work
I'm not the type to be hatin' but you need to let him
(Go)
Let's go

Come with me
(You can come with me)
To my lavish suite
(Come lay with a G)
And lay close with me
(It's between you and me)
He ain't folkz with me
(He ain't folkz wit me)

Let's go
(Take a ride with me)
Let's go
(He ain't a baller like me)
Let him go
(Uh Skillz)
(Shotcalla like me, he ain't rollin' like a G, I'ma P.I.M.P
baby)
Look I'ma balla, shotcalla
20 inch blades on a drop-top impala
Tryna get paid gotta stay on my grind
But it's girls I could self that stay on my mind

You need to listen when I tell you to let him go
I'm on a mission to get ya without trippin' up
You already know what we about in the South
Take the pimpin' to the window watch 'em all ball out
(Let's go)

Said shorty's like wall to wall
Said shorty's like wall to wall
(Eastside)
Said it's playas like wall to wall
Said it's playas like wall to wall
(Westside)

(Northside)

Come with me
(You can come with me)
To my lavish suite
(Come lay with a G)
And lay close with me
(It's between you and me)
He ain't folkz with me
(He ain't folkz wit me)

Let's go
(Take a ride with me)
Let him go
(He ain't a baller like me)
Let him go
(Uh Skillz)
(Shotcalla like me, he ain't rollin' like a G, I'ma P.I.M.P
baby)
