[Intro]

Oh this is so real right here man. Play-N-Skillz I'm in the booth I'm rapping Skillz is rapping ha ha ha it was worth it man for real. The Process

[Chorus]

Just because the pen won't show  
It doesn't mean that you're alone  
Cause I've been through a lot that I don't know  
That is even worth It  
And if I make it you should know  
That I made it on my over own  
Now I'm on the radio  
I guess this music's worth it  
I can see that you wish you could be me  
I can see that you wish you could be me

[Play's Verse]

The year's 1998  
Me and my brother a couple of crates  
Two latin's Two brothers from that lone star state  
I got the music with a dream

For the cream got to go and get it  
I'm in the game there's ain't no way I'm going to forfeit  
I reminisce passing flyers I had to pay my dues  
And now I'm on the same flyers cause I paid my dues  
It's 2001 when I start to make my run  
I got the music know it's hot, but I'm lacking funds  
I need a hand maybe 2 give me the whole body  
And who believe very few if anybody  
My momma and pops broke, my girl got into my own body  
But now the stuck with a nobody

[Chorus]

[Skillz's Verse]

Everytime I wake up  
I'm thanking god I'm caked up

Ya'll never had no faith in us  
5 stations playing us  
Same City ain't that pretty  
Wasn't Easy never greedy  
All about the bucks and now y'all goin' see me  
Don't give a fuck if ya'll believe me  
I was behind the scenes  
But now it's more creme  
It wasn't plan to be  
But now we plan to be  
The next producing duo  
Just like a game of uno  
We the last ones left  
You better catch your breath huu... (deep inhale)  
At times I wanted to quit  
But Play would give me shit  
He said I had a gift  
And now it makes sense  
I kept my sleep in brain  
I really did complain  
Even though I'm getting fame  
Ya'll know I won't change

[Chorus]

[Outro]
