(It's one of dem days)
It's one of dem days
I ain't doin' shit man, get off my dick
(It's one of dem days)
No I'm not home and don't call my phone

(It's one of dem days)
It's one of dem days
I ain't doin' shit man, get off my dick
(It's one of dem days)
No I'm not home and don't call my phone

It's just one of dem days
I woke up around ooh, let's say
7 p.m hand down my drawers
20 missed calls mighta been my dawgs

But right now, I'm in my own world
No music, no drugs, no girls
My day off, I ain't tryna think of shows
Finally a way from them groupie ass hos

Take my [unverified] off, and leave it on the
[unverified]
I can pick my nose, nobody knows
Radio on blast, my song's gettin' played
But I'm not even hype, its just one of dem days

I even turned off my Sidekick today
Not thinkin' that Skillz or Play would beat on it
And it's about that time, I shave
But fuck it, it's just one of dem days

(It's one of dem days)
It's one of dem days
I ain't doin' shit man, get off my dick
(It's one of dem days)
No I'm not home and don't call my phone

(It's one of dem days)
It's one of dem days
I ain't doin' shit man, get off my dick

(It's one of dem days)
No I'm not home and don't call my phone

It's just one of dem days where I
Sit back and lay out
I don't wanna do nuthin' but play with lil' Jay
Turn off the cell, errybody wanna call

I just wana sit back, relax, and do jack
Buy me a blunt, 'cause I love to get high
Got nuthin' but time
Reminisce on Junior High

I once used to play ball 'til the lights came off
Somebody mama shoutin' loud 'cause they gotta go
home
I just wanna roll around in my brand new car
Gotta brand new son, I'ma brand new star

Roll through the hood, and I call my old friends
How you doin'?
How you livin' homie?
How have you been?

Me? I'm cool, doin' the same ol', same ol' radio
promos, oh no
Not today playa, I'm kickin' back
Homie fuck a dead [unverified]
Homie fuck a contract

(It's one of dem days)
It's one of dem days
I ain't doin' shit man, get off my dick
(It's one of dem days)
No I'm not home and don't call my phone

(It's one of dem days)
It's one of dem days
I ain't doin' shit man, get off my dick
(It's one of dem days)
No I'm not home and don't call my phone

You can call my phone
I won't call you back
It's one of dem days
Where I don't wana do jack

Got my hands on my sack
What you think a that?
(What you think a that?)
I jus wana sit back

And forget the crap

(It's one of dem days)

It's one of dem days

I ain't doin' shit man, get off my dick

(It's one of dem days)

No I'm not home and don't call my phone

(It's one of dem days)

It's one of dem days

I ain't doin' shit man, get off my dick

(It's one of dem days)

No I'm not home and don't call my phone
