Where I lookin for Yo' girlfriend is so sexy chocolate and hot Ghetto Booty, were she been sreachin for me then I saw her from my Dream around way I stop lookin straight at her body and She's got one fine booty And a great body And huge racks She's the whole package, Yo! Were I'm so horny, even the crack of dawn looks good and, when she is so hot in that bikini and she was with her friend's wasn't tease me like that all I want get know Ya'll and her name ms. Luna look so hotter than extreme sexual beauty and She may not be a sex goddess, but gosh is that girl beautiful, were I thinkin to myself that can I be flirting with that girl all days gone by in month then she havin these wet dream's bout me in her mind that I was touchin in the right areas like her breast and in the middle of her legs and she told me go deeper in to lick tight kitten.

In my mind I been reaching out for u Baby were I havin my ways to twisted your mind girl, then I was alone by myself thinkin to myself in sum love with u baby telling' me wont tease me like that say what on your mind, were am the only one that awesome young man never treat u wrong and then Yo' man with his homies acts so hard thinkin like they're tough in the streets, when I left alone them went about my business elsewhere I got in my 1995 Cadillac Eldorado with candy red paint job it's sittin on, where I be hangin' in Da club and spending dubs Yo' your girls staredown at me like Young Gun from The Crunkest City, then she's walkin in slow-motion like time itself frozen and she lookin at me with sexy stare were her hot friends lookin at her go head talkin to him then she say how old are u: He says he's 21, were I told her same question how was old she: she whisper to me in my ear even I couldn't believe it she was same the age as me.

Then I was thinkin bout us tonight that We've Beautiful Connection between us, were am the one to lay down for u baby come on baby on baby show me how u down, down, down so acted nasty in the bedroom with me and she turns round grabs me by shirt then pulls, pulls, in me so close against her naked body, were I

can't think bout this to make love with her Sexy figure
turns me on like Fiery passion and am know that Yo'
roommates hearin a lot moanin noises coming from
the walls then she's screaming out my name thru in this
room, when we're twisting over on onside were she like
it's Missionary real good ever she's on top great job of
it then she go down-south were I told her I don't care if
she bite it.

Were I and she got thru making love with each other,
then her cell pho? Start to ring-ring so I ask her who
was it then she told me it was your brother was lookin
for u and Yo' Man with his homeboyz lookin at me
arguing against u girl, were am got put out my cell
phone call up sum my Homie G Dog's and they're ask
me who is that? Sum guy rise his voice at my girl I need
some help with this done even worried bout we will take
care small problem for u homie and I sayin thank u
man, were me and her Come to the mansion for the
next party and After work, a few of us are having drinks
at Mikes then we've havin good time with just two of us,
were she took me to PRIVATE place and to be alone
together.

Then I been having these dreams about her every
night, were am the beast of this love game and I will
love u til' the time wine down on your beauty stops for
me, when she iz looking at me with sexy eyes stare at
me long tonight and then the light goes out also am lay
down on this Bed, were I thinking of you Baby I, I
making love to you between the sheets why u twist n
turning on my King- Sized bed.
