Every time our Love is falling apart then I cannot
anymore feel so lost without you in Memories, In Mind
it's tells me what do about Our Future stay together or
not were I need time think bout us it was fade away Girl
you do know That this Feel so darn Emotional, then I so
upset with you left me for another guy an hurts so I left
you behind without saying goodbye

In My Life struck in Memories of you girl so I took the
photos you gave me, were I took lighter lit those your
pictures in flames an I could've never trust u (if you no
longer seen, heard, or known That I was Gone away
distance an you be right there crying out your love to
me), when I be on the other side of you plea you to
come back into my life

(Chorus)

I'm Massage you Right Yeah, Yeah
I spent all my love to you yeah, yea
And I can't get her out of my mind Oh, Oh
I'm gonna need you girl here wit me Oh, Oh

(Deshawn)

I aint Honest to Care of you, if you sitting at home with
new man and I gotta what I've done to you, were I think
bout us everynight the both of us made love last
encounter tearing me apart so much Girl, were I sittin'
here on edge of bed, I'll drinkin' up your Love in one
sip, were I don't want be no buddy an wanna be your
significant other you're mine baby Girl, Yea, Yeahh

(Chorus)

I'm Massage you Right Yeah, Yeah
I spent all my love to you yeah, yea
And I can't get her out of my mind Oh, Oh
I'm gonna need you girl here wit me Oh, Oh
