Second glance/ I am a catalyst
Don't miss your chance/ personify weakness multiplied
The call to your space/ out on the inner rings
While the cubemaker waits/ he personifies weakness
multiplied

A real clever trick fur a bear/ we all saw you standing
there
I am leaving my home town/Once again for another
year

Another coast /another avenue
The host with the most/Speaking of travesties with his
pen still
A real clever advert for beer/2 more times in a single
year
I am singing my heart out one more time for the
hometown crowd

That's a real clever trick fur a bear/We all saw you
standing there
I am leaving my home town/Once again for another
year
